Décor and Planning

Creative, Stylish, Memorable

Your wedding reception is a personal and special event that you and your guests will enjoy and remember for years to come. The vision of your day and bringing it to life can be a daunting task with many other wedding details. We have partnered professional and experienced vendors who can assist in delivering the wedding reception that you envision.

Whether that be a clever marriage of bold colours and whimsical detailing to classical soft tones with modern lace, or free-spirit bohemian styles – our partners work with your dreams and will deliver an incredible day.
